

JASMINE CHILDREN SCHOOL

DAY CARE/CRECHE/NURSERY/PRIMARY

END OF TERM NEWSLETTER

12th December, 2025

Dear Amazing Jasmine Parents,

As we come to the end of this academic term and the year draws to a close, we give thanks to God for His faithfulness, protection, and blessings upon our school community.

We sincerely appreciate your continued support, cooperation, and trust throughout the term. Your partnership has been instrumental in the academic progress, moral development, and overall growth of our pupils. Together, we have laid a strong foundation for their future.

As we celebrate the Christmas season, we encourage our learners to rest, reflect, and enjoy quality time with family while upholding the values of love, kindness, discipline, and responsibility that the season represents. Parents are kindly encouraged to help children revise lightly and engage in meaningful activities during the holiday.

School will resume in January next year, and we look forward to welcoming our pupils back refreshed, inspired, and ready for greater academic achievements.

We wish you and your families a Merry Christmas and a prosperous, peaceful New Year filled with joy, good health, and success.

Thank you for being a valued part of our school family.

After school Coaching

Kindly be informed After School Private Coaching (optional) still continues.

It will run between 3:30pm to 4:30pm on Mondays – Thursdays.

3. Letter and number work coaching
4. Diction coaching
5. Exam class preparatory coaching
6. Homework assistance

For more enquiries call the Head of School on **08063932091**

RESUMPTION

The 2nd Term 2025/2026 academic session resumes on Monday, 12th January 2026. We expect early resumption to avoid unnecessary backlogs of work.

Wishing every Jasmine family, the best of the season.

Gate Closure

A gentle reminder that our school gates close at **7:45 AM** each morning.

We've found that children who arrive with ample time before the bell:

- Settle in more comfortably
- Are better prepared for learning
- Start their day with less stress

Let's work together to build positive morning routines. Please aim to arrive by **7:40 AM** to ensure a smooth transition into school.

Thank you for your partnership!

SCHOOL FEES UPDATE

Over the years, the school has always given a long duration of grace for parents to pay up their children's fee before the term comes to an end. This method hasn't helped us as the school has continued to suffer huge financial losses yearly.

Some of the affected parents end up accumulating high bills and leave for a lower school or travel abroad, thereby leaving these bills unpaid. We can no longer continue with this

method because of some ugly experiences. Going forward, management has decided that fees be paid upon resumption of a new term

. The discount period shall only apply if fees are paid before resumption. A grace period of (2) weeks will be given upon resumption, after which school fees drive will commence.

Pupils took part in an exciting Tie and Dye activity as part of their Creative arts lessons this term. They learned basic techniques such as folding, tying and applying colours to fabric. Each pupil created a unique and colourful design. The activity enhanced creativity, fine motor skills and the ability to Follow instructions. It was fun and memorable way to end the first term.

Pupils of the Food and Health Club participated in a practical session on pap making. They learned the basic steps involved in preparing pap hygienically. The activity emphasized cleanliness, proper food handling, and nutrition. Pupils actively took part and showed great interest throughout the session. The practical was both educational and enjoyable, enhancing their life skills.

We are delighted to share highlights from our recent Christmas party Celebration. The pictures capture the joy, excitement and beautiful Moments our pupils experienced during the event. We hope they bring smiles to Your faces as you relive the festive memories with us.

Phonics activity on First level sounds

Activity on Teeth

Splash and sparkle colour festival

Wednesday sports fun which were filled with movements and smiles. The children ran, jumped, balanced and played team games, building co-ordination, confidence and a love for being active .
